Ultra Tech Pipe Adds National Sales Manager

(Port Washington, WI...10/24/08) Ultra Tech Pipe has hired Clyde Underwood as their National Sales Manager. Underwood will assume all responsibilities for the company's sales growth, including managing the inside sales department and directing marketing efforts.

Underwood has over 40 years of worldwide experience in construction, mining, oil and energy related business. He holds a MBA from Indiana Wesleyan University as well as a BA in Business and Science, Mechanical Engineering. Underwood's knowledge of the industry will allow him to advise the best product solution for abrasion wear problems.

Underwood will work out of the 110,000-sq. ft. manufacturing facility, which includes various abrasive-resistant pipe raw materials. The plant produces about 400,000 feet of pipe per year, plus thousands of system components. Ultra Tech is a leading manufacturer and supplier of complete abrasion-resistant pumping systems in the United States.

Since its inception in 1989, Ultra Tech has been a global leader in the design, manufacture, distribution and service of safe, quality abrasion-resistant piping systems and accessories. Headquartered in Port Washington, Wisconsin, USA, the company offers complete piping products and solutions for both standard and specialized high-abrasion applications, such as mining, coal fired power generation, powder and bulk solids, foundries, mills and a variety of other applications. Ultra Tech is a division of Construction Forms, Inc., a global leader in concrete pumping systems. For more information, call 800-626-8243 or visit www.ultratechpipe.com.

Clyde Underwood can be contacted by cell phone at 262-353-8864, at the office at 262-284-7820, or by email clyund@ultratechpipe.com.
